PRAYER

“Prayer is the answer to every problem in life. So often we do not pray in certain situations because, from our standpoint, the outlook is hopeless. But nothing is impossible with God.

Nothing is so entangled that it cannot be remedied; no human relationship is too strained for God to bring about reconciliation and understanding; no habit so deeply rooted that it cannot be overcome; no one is so weak that he cannot be strong; no one is so ill that he cannot be healed. No mind is so dull that it cannot be made brilliant.... If anything is causing worry or anxiety, let us stop rehearsing the difficulty and trust God for healing, love and power.”

Ellen White, Review and Herald, October 7
Compliments of A.C. S. Community L.I.F.T.
